DAY ONE - Wednesday 15th October 2025

08:00 Coffee & Registration

09:30 Welcome by Chairmen

Christopher Wooldridge, Science Coordinator EcoPorts EcoSLC

Mark van der Veen, Director of the Graduate School of Business, University of Amsterdam

09:40 Welcome Address by Transport Malta & EOPSA

Norbert Grech, Senior Manager - Onshore Power Supply - Grand Harbour Shore to Ship Project, Transport Malta & Member of Board of Directors, EOPSA

Roland Teixeira de Mattos, President, EOPSA

09:50 Gold Sponsor Welcome

Session 1.1: Developing a Sustainable Port Community

10:00 Keynote 1: Strategy for Resilience and Decarbonisation

Challenges for EU ports from the perspective of Port Authorities and Terminals are particularly relevant, this session will look at macro and micro challenges faced by members, and outline their expectations at a time when the European Commission is developing the EU Ports Strategy.

Panel Moderator: *Christopher Wooldridge, Science Coordinator EcoPorts EcoSLC*

Panellists include:

Isabelle Ryckbost, Secretary General, ESPO

Lamia Kerdjoudj, Secretary General, FEPORT

10:30 Keynote 2: Port Collaboration

Join representatives from both sides of the shore in a look at how environmental management supports sustainable port activities. This session will include real world case studies exemplifying collaboration between ports and shipowners.

10:50 Question & Answer Session

11:05 Coffee & Networking

*invited

Session 2: Harboursing the Future: Infrastructure for a Stronger Port Ecosystem

Moderator: *Mark van der Veen, Director of the Graduate School of Business, University of Amsterdam*

11:30 The sH2unter@ports project

The sH2unter@ports project, consisting of six project partners ranging from port operators and rail transport companies to research institutes, investigated the conversion of shunting operations in the ports of Hamburg and Bremerhaven to climate-neutral drives.

Insa Pohlenga, *Ministry of Economic Affairs, Ports and Transformation, Unit 32 – Environmental and Climate Matters, Free Hanseatic City of Bremen*

11:45 Port of Hamburg as a Centre for Green Hydrogen

Manfred Lebmeier, *Senior Environmental Advisor, Hamburg Port Authority*

12:00 How targeted lubrication strategies can support sustainability in the port industry

Klüber Lubrication helped VLI cut energy use by over 5%, reduce CO₂ emissions, and extend equipment life through a gear oil upgrade, enhancing efficiency and sustainability in port operations

Christian Kiefer, *Business Development Manager, Klüber Lubrication*

12:15 The BlueBARGE Project

The BlueBARGE Project addresses the design, development, and demonstration of an optimum power-barge solution to support offshore power supply to moored and anchored vessels, limiting local polluting emissions and global GHG footprint in a life cycle perspective, following a modular, scalable, adaptable, and flexible design approach.

Ignacio Benitez, *PhD, Senior Project Manager - Innovation & Port Cluster Development, Fundacion Valenciaport*

12:30 Question & Answer Session

12:45 Lunch & Networking

3.1 Renewables, Reclamation & Responsible Economic Growth	3.2 Workshop 1
<p>Moderator: <i>Christopher Wooldridge, Science Coordinator EcoPorts EcoSLC</i></p> <p>14:10 Nature-Based Solutions A promising future for ports amidst an increasingly complex political, environmental, and economic landscape. <i>Niels van Kouwen, Maritime and Resilience Consultant/ Specialist, Haskoning</i></p> <p>14:40 Dredging for Sustainable Infrastructure: The Port Focus <i>Arnold de Bruijn, Director, IADC</i></p> <p>15:10 Question & Answer Session</p>	<p>Moderator: <i>Marti Puig Duran, Chemical Engineer & University Lecturer, Polytechnic University of Catalonia</i></p> <p>The workshop will explore: What is the role of circular economy in port sustainability? How can ports measure circularity through meaningful indicators? What are the benefits of integrating circular strategies into port operations and reporting? And how can ports foster innovation and collaboration through circular practices? <i>Note: workshops must be booked in advance due to limited numbers. Please contact the team at info@greenportcongress.com to confirm.</i></p> <p>15:10 Question & Answer Session</p>
